

PPV PROJECT COMPLETION REPORT

LANDMARK INN, HAAF, GA

Hunter Army Airfield opened a limited service 75-room PPV hotel for authorized patrons in January 2001. The contract to design, finance, construct, operate and maintain the facility and service was awarded to Landmark Organization, Inc. of Austin, TX, in December 1999. The facility was financed entirely by Landmark Organization, Inc. No nonappropriated (NAF) nor appropriated funds (APF) were expended to construct this facility. The rooms are a mixture of single, double, handicapped accessible, and double with kitchenettes. The Army is not providing any financial backing or occupancy guarantees. The installation will receive a negotiated percentage of the income generated by this service.
